

Participating in JA INSPIRE as an exhibitor was valuable for my business/organization because...

Responses from Exhibitor Evaluations

- I was able to introduce Sephora Inside JCPenney to students who never had heard of it. Role playing gave them better interview skills to make them viable candidates for the future.
- Youth will be the next [National Park Service] employees.
- It gives student awareness of [Hampden County Sheriff's Department] and what we offer as a good career choice!
- We were able to interact with the students and created brand awareness.

The most important thing I learned today was...
