Ashley Tresoline **Owner** **Bella Foodie, LLC**

Ashley, a Springfield native, grew up with food woven into the fabric of her everyday family life. Her love of food started at a young age helping her Italian grandmother and great-grandmother in the kitchen. It's where she learned that cooking great food is a labor of love.

She received an Associate Degree in Business and Marketing from STCC and a bachelor's degree from Springfield College.

Ashley created Bella Foodie as a way to spread her love of healthy cooking with the local community. Bella Foodie's goal is to create delicious, homemade healthy meals that give families the feeling of having a personal chef in their kitchen every night. Food is all about joy, love and family.
