Phyllis Williams-Thompson
**Director of Talent Acquisition/
Employer Relations**
Tech Foundry

As a dynamic woman leader in her community, Ms. Williams-Thompson embodies passion and commitment to empower individuals on their career journey; in order to grow their leadership capabilities. She strategically utilizes skills gained from her Master of Science in Communications and Information Management from Bay Path University to create innovative solutions for career development through employer partnership engagement and outcome-based student career events.

Ms. Williams-Thompson also managed multi-million dollar marketing and media campaigns at a for-profit health sciences firm to improve the quality of life and health of families, infants and adolescents.
