

JA Inspire Virtual Career Fair

Career Snapshot

On October 14, join us for Chad's Interview from 8:00am-8:15am

Chad Thompson **Procurement Manager** **Town of Longmeadow**

The objective of the Purchasing Department is to support all town and school departments in the procurement of quality goods and services at cost effective prices while promoting fair competition. In addition to procurement, the Purchasing Department monitors procurement practices by departments and facilitates contract administration to ensure compliance with applicable laws governing procurement of municipal supplies, services, equipment, and capital improvements involving public works, building construction and design services. To be a successful Procurement Manager you must have.

- 1- Great relationship management.
- 2- Strong negotiation skills. ...
- 3- Impeccable time-management. ...
- 4- Strategic thinking. ...
- 5- Change positive.
