

JA Inspire Virtual Career Fair

Career Snapshot

On October 14, join us for Ibrahim's Interview from 1:40pm-1:55pm

Ibrahim Ali
Director of Agriculture and Youth Programs
Gardening the Community

Ibrahim received intensive trainings at the original Growing Power (Milwaukee) and The Seed School (Phoenix), the Master Gardeners Program of Western Mass, and is a Northeast Organic Farming Association (NOFA) Accredited Organic Land Care Professional (AOLCP). He has played a key role in developing GTC into one of a growing handful of youth food justice organizations in Western Massachusetts. Ibrahim has been involved with youth related programming for over 20 years, the last 10 teaching and learning with youth at GTC. hop where sampling and remixing regenerative agriculture, pesticide-free farming, urban specific farming, agro-ecology and more are freely shared, interpreted and experimented with.
